

RandomGenerator

```
classDiagram
    class RandomGenerator
    class ScalarDoubleRandomGenerator
    ScalarDoubleRandomGenerator --|> RandomGenerator
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'RandomGenerator'. Below it is a gray rectangular box labeled 'ScalarDoubleRandomGenerator'. A blue arrow points from the top center of the 'ScalarDoubleRandomGenerator' box to the bottom center of the 'RandomGenerator' box, indicating that 'ScalarDoubleRandomGenerator' inherits from 'RandomGenerator'.
